

## A) 500 years ago

### I. Answer the questions and find out how much you know about life 500 years ago.

500 years ago...

	✓	✗
...was there any electricity?		No, there wasn't.
...were there any books?		
...were there any bicycles?		
...was there any pizza?		
...was there any pollution?		
...were there any roads?		
...was there any metal?		
...were there any newspapers?		
...was there any medicine?		
...was there any plastic?		

### II. Using the information above, write sentences about what people did in the past.

Example:

*500 years ago, people couldn't watch TV because there wasn't any electricity...*
